

# M3000(2-Pack)

Cudy M3000(2-Pack) AX3000 Wi-Fi 6 Mesh 2.5G Solution

|              |               |
|--------------|---------------|
| Model        | M3000(2-Pack) |
| Brend        | Cudy          |
| WIFI         | WiFi6         |
| Genişlik     | Dual band     |
| Mesh         | Mesh          |
| Tezlik       | 2.4Ghz/5Ghz   |
| Qoşulma sayı | 250+          |

## Specification

| Model                 | M3000                                 |   |
|-----------------------|---------------------------------------|---|
| Hardware Features     | Processor                             | 1.3GHz Dual Core Cortex-A53 Processor               |
|                       | Flash                                 | 1Gbit (128MB)                                       |
|                       | DDR                                   | 2Gbit (256MB)                                       |
|                       | Antenna                               | 5 × Internal Omni-Directional Antennas              |
|                       | Interface                             | 1 × 2.5Gbps WAN Port                                |
|                       |                                       | 1 × 10/100/1000 Mbps LAN Port                       |
|                       | Button                                | Pair Button, Reset Button                           |
| External Power Supply | 12V/1A                                |   |
| Wireless Features     | Wireless Standards                    | IEEE 802.11ax/ac/n/a 5GHz                           |
|                       |                                       | IEEE 802.11ax/n/b/g 2.4GHz                          |
|                       | Frequency                             | 5GHz, 2.4GHz  |
|                       | Wireless Bandwidth                    | 20/40/80/160MHz                                     |
|                       | Signal Rate                           | 2402Mbps (5GHz), 574Mbps (2.4GHz)                   |
|                       |                                       | Compatible with 802.11a/b/g/n/ac/ax Wi-Fi standards |
|                       | Transmit Power                        | CE: <20dBm (2.4GHz), <23dBm (5GHz)                  |
|                       |                                       | FCC:<30dBm (2.4GHz & 5GHz)                          |
|                       | Wireless Modes                        | Enable/Disable Wireless Radio, WMM                  |
| Wireless Security     | WEP, WPA/WPA2, WPA-PSK/WPA2-PSK, WPA3 |   |
| Wireless Features     | OFDMA, MU-MIMO, Beamforming           |   |
| Software Features     | WAN Type                              | Dynamic IP/Static IP/PPPoE                          |
|                       | DHCP                                  | Server, DHCP Client List, Address Reservation       |
|                       | Dynamic DNS                           | Compatible with 15 more DDNS providers              |
|                       | Guest Network                         | 2.4GHz guest network × 1                            |
|                       |                                       | 5GHz guest network × 1                              |
|                       | NAT                                   | Port Forwarding, Port Triggering, UPnP, DMZ         |

| VPN Client | PPTP/L2TP/OpenVPN/WireGuard/IPsec |  |
